# YFC AFRICA, YOUNG PEOPLE & HELL

*“I hate thinking about it, teaching about it, and writing about it. But the plain truth is that hell is real and real people go there for eternity”*

*Bill Hybels*

In our world today it is not fashionable to talk about hell because people don't like it. It is not a pleasant topic. Many times we feel people will classify us with a certain conservative tag when we talk about hell and its consequences.

What does young people in your area say about it?

What are church people's opinion?

**Matthew 10:28: Do not be afraid of those who kill the body but cannot kill the soul; rather be afraid of God, who can destroy both body and soul in hell. [Good News translation]**

Why is there a hell as an eternal destination?

Hell is a reality because of an incompatibility problem. Holy God and unholy humankind are incompatible. God never changes and doesn't need changes. Humans have to change. Their sins disqualify them and make them not suitable for heaven. Unholy things don't do well around holy God but people are always welcome with Him.

While we are on this earth, there is only one solution – salvation through Jesus Christ alone.

The **GOOD NEWS** is of course that we can make a difference in the grim picture of hell. Jesus went to extreme measures to save people through His death and resurrection. Does that motivate us to help youth coming from a life of darkness into the marvellous light of Christ? It motivated Jesus to come from heaven!

## **THROUGH PRAYER WE CAN CHANGE ETERNAL DESTINATIONS**

Every day I come into contact with young people. This is my golden opportunity to bring them to Christ without preaching 'fire and brimstone' or do 'Bible bashing'.

Praying while I am:

- Travelling [car, bus, train or airplane]
- Shopping [young people love shopping malls]
- In ques [making the boredom of waiting go by!]
- On-line [you tube is the most used social platform by youth]

It only takes a heart compassionate and motivated enough to get another person through prayer closer to the Kingdom of our loving, holy God.

*“I believe in hell. I believe in it rationally. I believe in it emotionally. I'm not neurotic about it, but I have to admit that it impacts me every day. It bothers me. It jars me out of complacency. It sparks my energies.”*

*Bill Hybels*

**Growth Opportunities:**

- Do I see and take advantage of opportunities to pray for the salvation of young people?
- Am I teaching staff and young people the importance of prayers for the lost?
